<b>Type of Scheme</b>	An open-ended equity oriented fund	An open-ended sector scheme																														
<b>Investment Objective</b>	The investment objective of the Scheme is to provide capital appreciation by following contrarian style of investing that refers to buying into fundamentally sound stocks that have been overlooked by the market (for reasons of short term trend) and waiting for the market to give these stocks their real value in course of time.	The primary objective of the Scheme will be to provide capital appreciation to its Unitholders through judicious deployment of the corpus of the Scheme in sectors categorized under "basic industry" in the normal parlance and in context of the Indian economy, including but not limited to, energy, petrochemicals, oil & gas, power generation & distribution, electrical equipment suppliers, metals and building material. The fund would continue to remain open-ended with a sector focus.

In case of shortfall of notice period, the AMC/Registrar will process the 1st STP/SWP on the settlement date after the next settlement. Subsequent installments will be processed on respective settlement dates after the start date .

The due date for SWP/STP installment under quarterly option will also be on the next settlement date subject to the condition that such request is made by the investor 15 days prior to the next settlement date to start the STP/SWP. ## ADDENDA

### THIS ADDENDUM DATED 3.5.2007 SETS OUT THE CHANGES TO BE MADE IN THE OFFER DOCUMENT AND KEY INFORMATION MEMORANDUM OF JM FLOATER FUND

JM Floater Fund, an open ended income scheme, was launched in June 2003 with an investment objective to provide regular income and capital appreciation through investment in floating rate debt instruments, fixed rate debt instruments swapped for floating rate returns and also fixed rate instruments and money market instruments

Currently this scheme offers three investments plans to the investors., viz

- (i) Short Term Plan
- (ii) Long Term Plan
- (iii) Long Term Premium Plan

All the above plans provide two investment options to the investors viz., Growth Option and Dividend Option.

With effect from May 4th, 2007, JM Floater Fund - Long Term Plan and JM Floater Fund - Long Term Premium Plan will be renamed as JM Liquid Plus Fund - Regular Plan and JM Liquid Plus Fund - Premium Plan respectively.

Consequently, effective May 4th, 2007, all references to the Long Term Plan of JM Floater Fund in the Offer Document and Key Information Memorandum will be substituted with JM Liquid Plus Fund - Regular Plan and that of Long Term Premium Plan will be substituted by JM Liquid Plus Fund - Premium Plan.

Currently the Long Term Plan under JM Floater Fund offers a quarterly dividend option while the Long Term Premium Plan under JM Floater Fund offers a fortnightly dividend option.

The AMC proposes to introduce additional dividend options viz. Daily Dividend Option and Weekly Dividend Options with auto reinvestment facility under JM Liquid Plus Fund - Regular Plan and JM Liquid Plus Fund - Premium Plan w.e.f May 4th, 2007.

The first Record Date in case of the Daily Dividend Option and the Weekly Dividend Option will be 5th May,2007 and 7th May,2007 respectively. In case the Record date falls on a Non Business Day, the immediately following Business Day will be considered as the Record Date.

The name change of JM Floater Fund - Long Term Plan and JM Floater Fund - Long Term Premium Plan to JM Liquid Plus Fund - Regular Plan and JM Liquid Plus Fund - Premium Plan respectively and the introduction of the daily dividend option and the weekly dividend option under the said plans have been approved by the Boards of the AMC and the Trustee Company.

Unit holders / investors should note that the actual declaration of dividend and the frequency thereof will inter alia depend on the availability of distributable profits as computed in accordance with the provisions of SEBI (Mutual Funds) Regulations, 1996. The decision of the Trustee in this regard shall be final. Dividends, if declared, will be paid (subject to deduction of tax at source, if any) to those unit holders whose names appear in the Register of Unit holders on the notified record date. The Trustee / AMC reserve the right to change the record date from time to time. There is no assurance or guarantee to unit holders as to the rate of dividend distribution nor that dividends will be paid regularly. On payment of dividends, the NAV will stand reduced by the amount of dividend and dividend distribution tax (if applicable) paid.

All other features of the scheme mentioned above remain unchanged.

This Addendum forms an integral part of the Offer Document and Key Information Memorandum of JM Floater Fund read with the addenda issued thereunder.

**INVESTORS DESIROUS OF INVESTING IN JM FLOATER FUND SHOULD READ AND UNDERSTAND THE ABOVE PLAN SPECIFIC DISCLOSURES IN CONJUNCTION WITH THE DISCLOSURES MADE IN THE ORIGINAL OFFER DOCUMENT.
